A Never Ending Story

Chapter 1

Stories benefit people by giving them histories and futures, by helping them imaginatively explore possibilities, and by helping them learn who they are. The students and staff at Southern Garrett High School have continued their story through the 2009-2010 school year and even though the year has ended, our experiences and memories will never end. We will start with the people of our story: the students of Southern High School. You, the students, have become the characters in Southern's never ending story.

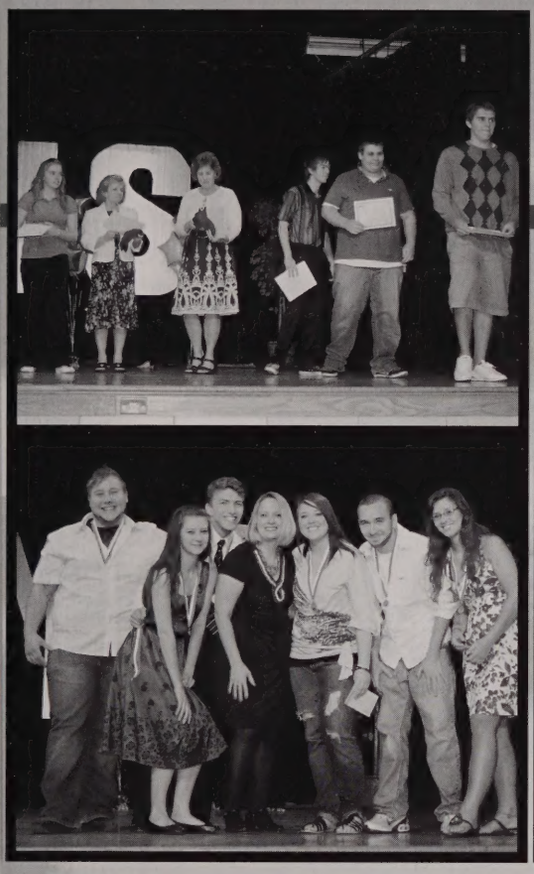
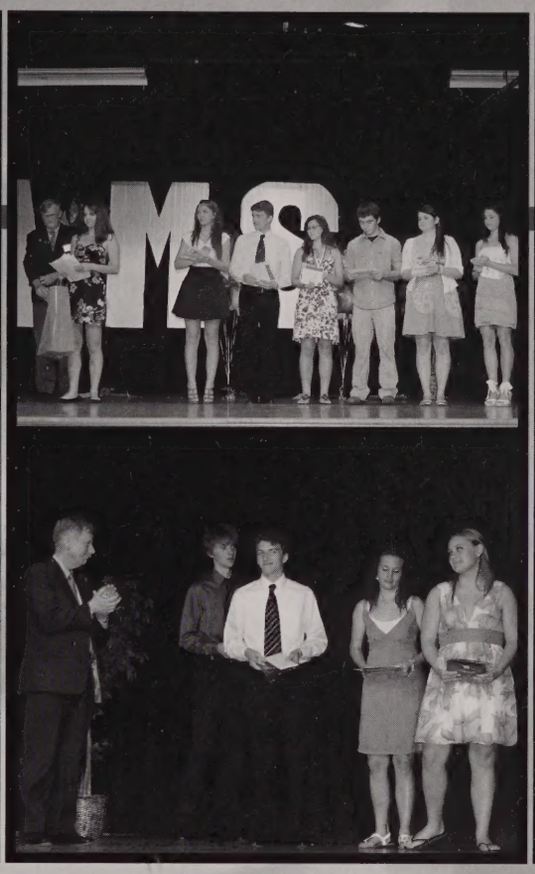
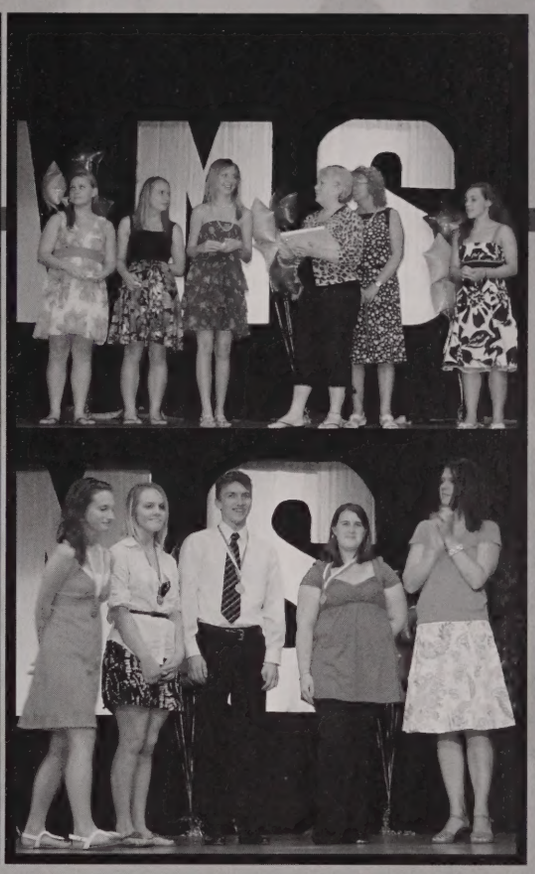
Seniors Shine At Awards Ceremony







"Seniors see us give lectures, exams, and sideways glances. I wonder if they know that we worry for them, that we pray for them, that we love them like our own. When they walk at graduation, we hope they are not walking out of our lives. We want to know who and what they become. We want them to know they can always come home."

-Erin White

"The Danforth Award recognizes one boy and one girl for their academic performance, personal integrity, balanced lifestyle, and potential for leadership. Southern had four great nominees this year."

-Bill Grant, SGHSAA

All of the senior journalism students were outstanding leaders and dedicated to the publication of the school newspaper. Rosie Reid's enthusiasm and tenacity will especially be missed. She is the hardest working student I have had the pleasure to get to know."

Message From the Captain:

"We began the season in an exciting match against Allegany, losing in just the last few minutes. Although our record did not show our talent, we were able to compete with every team in the league. The last two matches were very memorable as we forced the games into double overtime against Northern and then against Smithsburg. Although the season turned out to be disappointing, it was a good experience for me to be captain and finish out my senior year of soccer." **- Conor Forrester**

A Message from Coach Hegeman:

"The Southern Boys' Basketball teams had various levels of success. The varsity team had its first winning season since the '04-'05 season. The junior varsity team did not have an outstanding record, but they had numerous freshmen on the team and they received valuable experience. The freshman team played with 6 players for most of the year and almost finished with a .500 record. Those players got a bunch of game time experience that will payoff in their growth as basketball players. We were one of the youngest varsity teams in the area, and I believe if the players do what they need to during the off season, we will be the team to beat next year and the years to come."

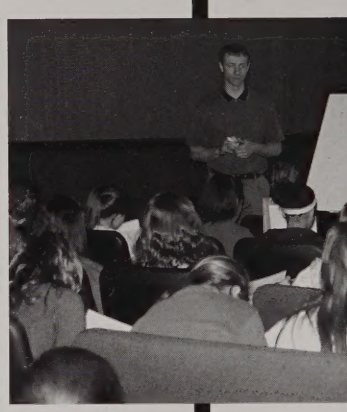
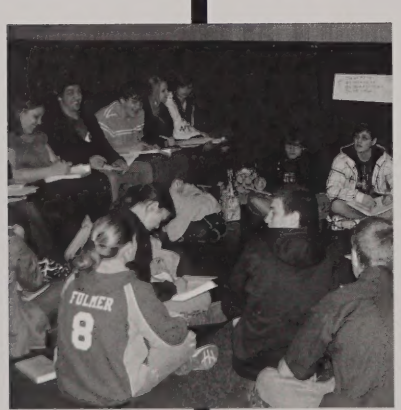
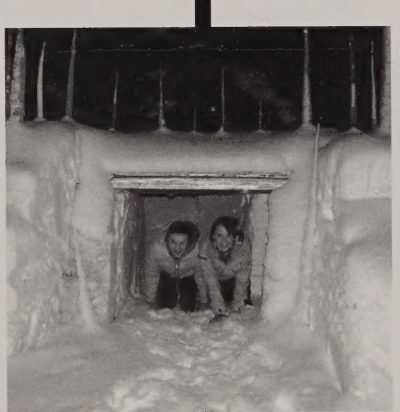
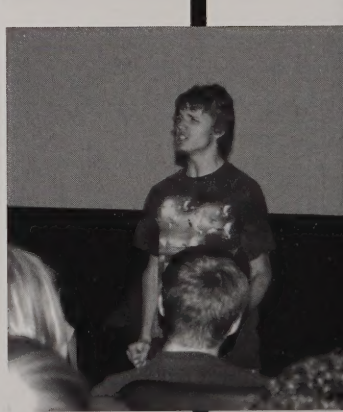
WINTER

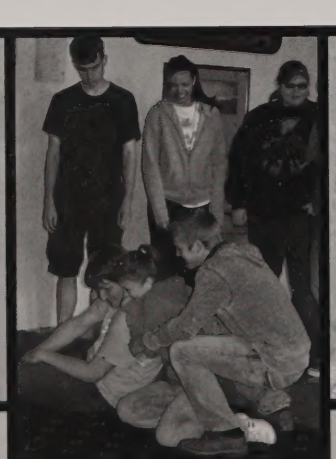


MERCURY









Words cannot express my appreciation for my colleagues, all of the people of Southern Garrett County, and the pride that I have in our students and staff. Through this experience, I have a renowned belief that Southern High School is the best place to work and educate kids in the world!"

-Mrs. Elliot

"My favorite part about going to Garrett 8 Cinemas was was being able to sit with my friends in the comfy chairs and having shorter class periods."

-Amber Sheally

"I liked not having to go to school in the cold; but, having to go to school until June 16th is not fun at all."

-Laurel Baker

On snow days I enjoyed being able to go outside and play in the snow with my sister, Bethany."

-Vicki Stevens

"On snow days I went to the Wisp to snowboard and played in the snow with my friends."

-Jennifer Feaster

"Going to school at the movie theater was not bad but I would rather go to school at SHS because I was not as productive at Garrett 8."

-Kellie Shotwell

Mercury Incident Announcements

School's Out Alert announcement:
According to Dr. Wendell Teets, Superintendent of Garrett County Schools, Southern Garrett High School will conduct classes at the alternative site of Garrett 8 Cinemas beginning at 8:40 on Tuesday morning April 27th. Bag lunches will be provided for students that eat school lunches for purchase. Students will ride their usual bus to the alternate site. Walking students need to go to an assigned bus stop. Parents that normally transport their students to Southern High may drop them off at Southern Middle at 8:00 am for a bus transport to Garrett 8 Cinemas on bus 45. Modified instruction will occur at this facility until such time Health officials deem SHS may be reopened for students and staff.

Press Release:
On Wednesday April 21st mercury was inadvertently released in the school. By Wed. evening MDE and a private contractor arrived and on Thursday afternoon Region III of the EPA began the supervision of the mercury cleanup. The primary areas of concern were the boys' restrooms near the vo-ag and near the gym, as well as the following teachers' rooms: Mr. Powers, Mr. Bowser, Mrs. Doyle, Mrs. Wilson, and Mr. Biggs. A total of twenty-one students received primary exposure to the mercury through inappropriate handling. There were three days of school missed 4/22, 4/23, and 4/26 and on 4/27, 4/28, 4/29, and 4/30 school was conducted at Garrett 8 Cinemas. There were only eight theaters in which 863 students and 87 staff members had try and conduct class. The staff members tried to keep it as normal as possible for the students and tried to continue on with their lesson plans. At the end of the week the students were rewarded for their good behavior, they were given the chance to watch one of the movies that were playing in the theaters. As of Thur. April 29th the mercury had been removed in all the areas of the school except for the autoshop, it was still being cleaned up.

Community

Many think the community is a place to work and have fun; but, the community surrounding Southern is much much more! Without our local businesses and organizations, we could not have many of the academic, athletic and student life activities that are an important part of our high school experience. From us at Southern, we give a big thanks to our entire community for their support!

One cold and blustery winter's day, the doctor said to me you've had a little baby girl as sweet as she can be. I looked at you from head to toe and held you close to me. I said to you soft and low you're my baby of the family.

From skinned knees to doctor visits to hospital stays to finger paints, gingerbread houses, sunshine and rainy days you have enriched my life in so many ways-and by your strength and fortitude, I've always been amazed.

I hope you go forth with continued perseverance and determination because your passion for life has become my inspiration. So as you go out into the world to begin your new journey remember the life lessons I've taught you. Remember to be kind, thoughtful, authentic and true. Because through all the changes there will always be a constant. And that is: That I will always, always love you.

We are both very proud of you. We love you.

Your future looks as bright as your smile, your life as rich as your kindness, your happiness will be bigger than your enthusiasm, and we wish that every goal and dream comes true.

Love, Mom, Dad and Trevor

Kelly Bean

Your unique personality, always being happy, looking on the bright side and laughing at yourself when you make a mistake will carry you far in life. When you smile you smile with your whole face, which shows your enjoyment of life. The ability to look into your heart for your answers and give yourself time to think about things shows your maturity. These are the things that we love about you. Be true to yourself and follow your dreams. As long as you're happy and content in life, we're happy for you.

It seems like it was just yesterday that you were born, and now you are graduating from high school. You have brought such joy to our lives and we are proud of the amazing woman you have become. We wish you the best in all that you do and remember you can accomplish anything you set your mind to!

We love you,

Mom, Dad and Lindsay

GRADUATION IS NO TIME TO LEARN

YOU HAVEN'T SAVED

ENOUGH FOR COLLEGE

Whether your child is in first grade or 12th, high school graduation is just around the corner. Fortunately, Edward Jones can help you put together a strategy to save and pay for college. Using our education funding tool, we can estimate future expenses at over 3,000 schools, and then recommend a financial strategy based on your unique needs. Remember, the longer you put off preparing for college, the harder it'll be to pay for it.

"Not above you, Not beneath you, But with you"

Beccie Reckart

My beautiful daughter, I was blessed with you...
You will never know how proud I am of all the things you do.

You came into my world, so tiny and small...
And I was in awe at the wonder of it all.

Then you placed your little hand in mine...
there was no denying, my heart was yours 'til the end of time.

I have watched you through out the years, laugh, cry and grow...
And it is difficult to know, that someday I will have to let go.

I just can't imagine, a day of my life without you...
Because you're a part of me and my love for you is true.

So just remember, no matter how old you are or where you may be...
There's someone who needs you and loves you and that someone is me.

Love,
Dad, Mom, Cory, Ryann and Reece

We all start as caterpillars, but slowly grow until one day we are butterflies. As I have watched you grow, I have seen you turn into a fine person and a beautiful young woman.

When thinking about my senior year at Southern, I will always remember the fun memories and friends that I have made. Working on the yearbook is a great way to be able to meet some wonderful people. I have really enjoyed working with Jackie, Ms. Zumpano, and the rest of the yearbook staff this year. Thank you Ms. Zumpano for everything this year and the delicious pasta! To the underclassmen: enjoy high school while you can, it really does go by faster than you think. To my fellow class of 2010, good luck on accomplishing your goals after we finally leave. Continue on with your story exactly the way you want it, no matter what anybody says.

Kristen DeWitt, Editor, Class of 2010

Well what can I say...? It has been a crazy year. Between all of the snow days and the mercury incident, the yearbook has been even more challenging to finish. However, it has still been fun working with Kristen and all of the other members of the staff. I cannot thank Ms. Zumpano enough for her guidance and support she has given me throughout my high school career. I know it may sound cliche, but take advantage of every opportunity to do something new, challenging and exciting... you are only in high school once. To all the staff and my friends, thank you for making my four years at Southern High School memorable, inspirational, and consequential. Congratulations class of 2010, and good luck to all future graduates! Never stop creating memories and experiences throughout your life.

Jackie Fries, Editor, Class of 2010

This has been a challenging year for both the yearbook staff and for Southern High School. First semester yearbook class was a little slow going, but I am glad I got to know and work with everyone in that class. Second semester started out rough but we all ended up right on track and finishing pages just in time. Thank you everyone that helped work to make this year's yearbook the best one yet! And I also want to thank the two editors, Jackie and Kristen, and the two "Vivian's", Tiffany and Krystin, you guys made the yearbook class interesting! Congratulations class of 2010! Dream big and good luck creating your stories in the future.

Emily Thomas, Underclassmen Editor Class of 2011

This has been a very difficult year. First semester was a bit of a challenge for staff members to get their work done and on time. Through all the yelling, crying, laughing, and joking we finally got through the first semester. It has really been a memorable year and I can't say I would take it back for anything. Although I was not in the second semester class first semester was a great staff and I enjoyed working with them. I'm so glad I got to work with all the staff members. Ms. Zumpano, I love you and thank you for teaching me everything I know. Congratulations class of 2010! It has been a great year!

Krystin Fike, Underclassmen Editor Class of 2011

Way to go Highlander 2009-2010 yearbook staff....another great yearbook. Thank you Jackie, Kristen, Emily, Krystin and other staff members for your hard work and perseverance through a very, very, very tough year! You have made another wonderful book for the Southern HS students and staff.

Ms. Zumpano, Advisor
